What did the mouse say when his friend broke his front teeth?

Do the math to solve the riddle.

Watch the signs!

$18 - 9 = (\quad) R$

$7 - 2 = (\quad) S$

$8 + 4 = (\quad) D$

Do the math facts and solve the code to find out!

$10 - 4 = (\quad) A$

$5 + 5 = (\quad) C$

$7 + 6 = (\quad) H$

$16 - 8 = (\quad) E$

13 6 9 12 / 10 13 8 8 5 8

Why do you think mice love cheese so much?

Explain.
